

Questions to Ask Before I Leave the Hospital

Dear Patient / Caregiver,

During this stay, your health care team will work with you and your caregiver to get you ready to leave the hospital.

Both you and your caregiver are important to help plan for what happens next. As you think ahead about leaving the hospital, ask your health care team the questions below.

Please add any other questions you or your caregiver have on the back of this form.

Why was I admitted to the hospital? _____

What can I eat when I leave the hospital? _____

What tasks, chores or activities can I do when I leave the hospital? _____

What questions do I have about my medications? _____

When do I need to call my health care provider? _____

Who should I call if I have questions? _____

Phone number to call _____

Who do I need to follow up with after I leave the hospital? _____

What should I do when I leave the hospital to help me get better and stay well? _____
